

RAMPORA BOIKUTLO SHAUN

AI-900 Certified | AI-102 Candidate | Aspiring AI Engineer | Cloud & Data Engineer

PROFESSIONAL SUMMARY

Bachelor of Computer Information Systems graduate with practical experience in software development, cloud technologies, data engineering, and IT support. Microsoft Azure Fundamentals (AZ-900) and Azure AI Fundamentals (AI-900) certified, currently pursuing Azure AI Engineer Associate (AI-102). Skilled in C#, ASP.NET Core, SQL Server, React, Azure, Power BI, and Git. Built full-stack web applications, APIs, database systems, and data warehouse solutions through academic and personal projects. Seeking opportunities in AI Engineering, Cloud Engineering, Data Engineering, Software Development, and Technology Consulting.

TECHNICAL SKILLS

Programming Languages:

- C#
- JavaScript
- Python
- SQL

Web Development:

- ASP.NET Core MVC & ASP.NET Core Web API
- React.js
- Next.js
- HTML5
- CSS3

Database & Data Engineering:

- SQL Server
- Data Warehousing
- ETL Development
- Data Modeling
- Power BI

Cloud & AI:

- Microsoft Azure
- Azure AI Services
- Azure OpenAI
- Machine Learning Fundamentals
- Prompt Engineering

Tools:

- Git & GitHub
- Visual Studio
- VS Code
- Swagger
- VMware
- Microsoft Office

IT Support

- Hardware Troubleshooting
- Network Support
- Windows Administration
- Printer Support
- User Support

CERTIFICATIONS

- Microsoft Azure AI Engineer Associate (AI-102) Currently Studying | Expected Completion: 2026
- Microsoft Azure Artificial Intelligence Fundamentals (AI-900)
- Microsoft Azure Fundamentals (AZ-900)
- Git Essential Training
- Excel Dashboards for Beginners

RELEVANT PROJECTS

Data Warehouse Project

SQL Server | ETL | Data Modelling

- Designed a dimensional data warehouse for reporting and analytics.
- Built ETL pipelines and analytical reporting datasets.
- Applied data modelling techniques including fact and dimension tables.

Portfolio Website & API

React | Next.js | ASP.NET Core API | Azure

- Built and deployed a personal portfolio website showcasing projects and technical skills.
- Developed RESTful APIs to manage portfolio content.
- Integrated frontend and backend services using Azure-hosted resources.

AI Trading Bot

Python | MetaTrader 5 | AI Concepts | ChatGPT

- Developed an automated trading solution utilizing technical indicators and risk management logic.
- Implemented signal scoring, trend analysis, spread filtering, and trade execution modules.
- Applied data-driven decision-making techniques for market analysis.

WORK EXPERIENCE

Cleaner (Contract – Singamandla Staffing) Shoprite Group DC | Mar 2026 – Present

- Maintain safety and operational standards in a fast-paced distribution environment.
- Demonstrate reliability, teamwork, and attention to detail.
- Work effectively under pressure while supporting daily operations.

IT Support Technician – NHR Fitment Centre | Feb 2025 – Apr 2025

- Provided hardware, software, and network support to end users.
- Diagnosed and resolved technical issues to minimize downtime.
- Assisted with system installations, configurations, and maintenance.
- Maintained technical documentation and supported daily IT operations.

Student Lab Assistant – University of the Free State (ECLA) | Aug 2023 – Oct 2024

- Supported students and staff with computer-related issues.
- Maintained computer laboratories and ensured system availability.
- Assisted with software applications, troubleshooting, and administrative tasks.
- Promoted efficient use of technology in an academic environment.

Store Associate – Mr Price Sport | Nov 2020 – Feb 2021

- Delivered customer service and assisted with sales operations.
- Managed stock, merchandising, and point-of-sale transactions.
- Contributed to a positive customer experience in a high-volume retail environment.

EDUCATION

- (BSc) in Computer Information Systems | University of the Free State — 2024
- National Senior Certificate (Grade 12) | Masemola High School — 2017

ADDITIONAL INFORMATION

- Open to AI Engineering, Cloud Engineering, Data Engineering, Software Development, and IT Support opportunities.
- Willing to work shifts, weekends, and on-call
- Available for onsite, hybrid and remote work.
- Willing to relocate
